About US

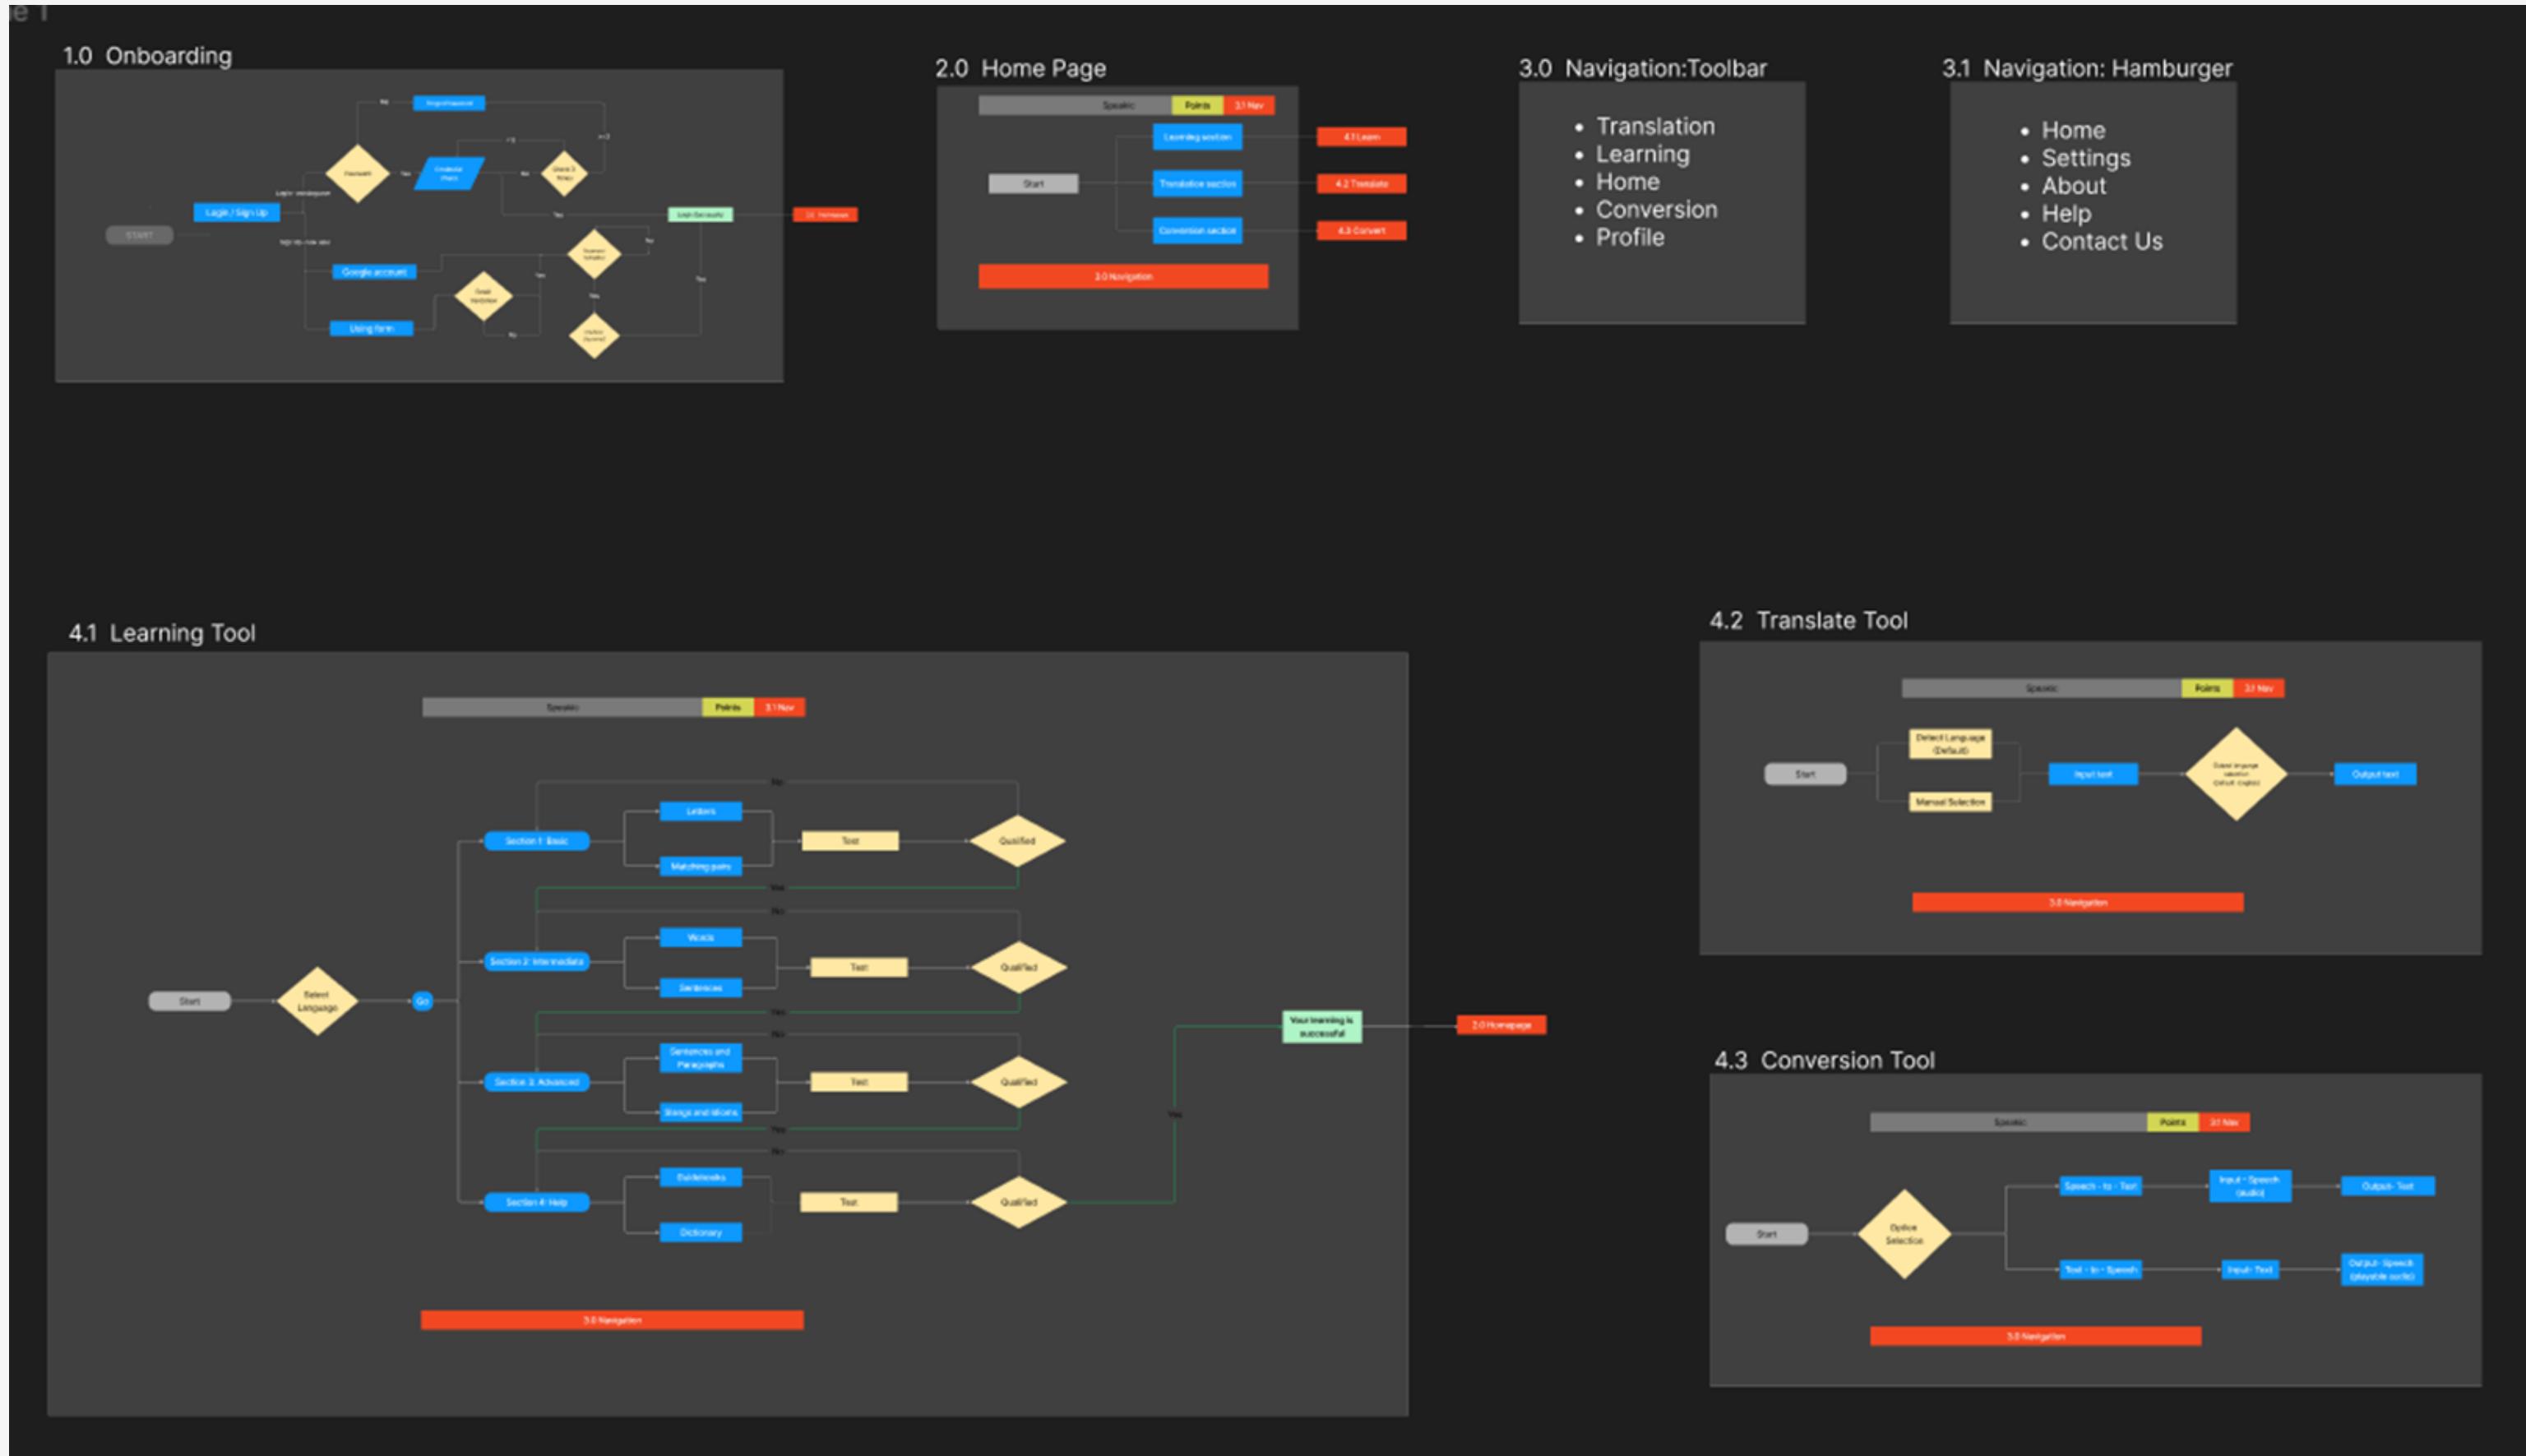

Prototype

Prototyping (High fidelity pages)

The image displays a collection of high-fidelity prototypes for a learning application, arranged in a grid. The prototypes include:

- Login:** A screen with a panda icon and a "Welcome back" message.
- Signup:** A screen with a yellow circle containing a 'S' and a "Welcome, Sign up to continue" message.
- Home Page:** A screen showing a mountain landscape and navigation options like Learning, Translate, Convert, and Settings.
- Settings page:** A screen showing user profile information and language settings.
- Help and guide:** A screen with a purple book icon and a "Analyze learning problems" button.
- Help page:** A screen with a blue book icon and a "Get help from our experts" button.
- Contact us:** A screen with a red circle containing a '6' and a "Contact our friendly support team" button.
- About:** A screen with a green bar and a "The easiest way to learn and speak languages of different cultures" message.
- Learning 1:** A screen showing a panda reading a book.
- Translate:** A screen showing a green globe icon and a "What do you want to translate?" message.
- Convert:** A screen showing a green globe icon and a "Convert 1" section.
- Convert 2:** A screen showing a green globe icon and a "Convert 2" section.
- Convert 3:** A screen showing a green globe icon and a "Convert 3" section.
- Desktop - 2:** A screen showing a Spanish course interface with Unit 1 and Unit 2.
- Learning 3:** A screen showing a Spanish course interface with Unit 1.
- Desktop - 3:** A screen showing a Spanish course interface with Unit 2.
- Desktop - 4:** A screen showing a Spanish course interface with Unit 3.
- Desktop - 5:** A screen showing a Spanish course interface with a "Help" section.

Frequently Asked Questions

Is the Conversion free?

A dark blue background featuring a complex, abstract pattern of red and blue lines. The pattern consists of numerous thin, intersecting lines forming a grid-like structure that curves and bends, creating a sense of depth and motion. The colors transition from bright red at the top left to a darker shade of red/blue towards the bottom right.

THANK YOU!!
